Member Highlights

Grace Siegalkoff and Madi Haas!

Congrats to our lovely members for being involved in our chapter, and dedicating so much time to your SAE projects!

Grace has been an active FFA member for four years. This year she has an excellent goat SAE where she will be showing at the Sacramento County Fair. She is always active in discussion for her Ag Econ class and is an active member in the floral pathway. Thank you, Grace, for always putting your best foot forward!

Madi has hit the ground running when it comes to FFA involvement. She was very eager to join the Creed team at the beginning of the school year, memorizing the first paragraph by September. Her eagerness continued as she placed FIRST and SECOND at her first two Creed contests! Madi led her opening and closing team to a championship as president and took home the prize for Outstanding President. Madi is taking a pig to the county fair this year and has earned her Greenhand FFA Degree! She is looking forward to further involvement in FFA.

Thank you for your contribution ladies!
