## SPREAD THE NEWS

Monthly events, reminders and updates!

Ag Leadership is back! Look out for updated newsletter every Tuesday!

The Made for Excellence conference is held for sophomores and juniors by the California State officers to help students develop personal leadership skills to use throughout their lives. The Advanced Leadership Academy conference is held for juniors and seniors. There, students use the leadership skills they learned from before to come up with creative ways to improve their chapter. The Made for Excellence (MFE) and Advanced Leadership Academy (ALA) will be held virtually on March 19-20th for all who have signed up.

This year we will be holding our annual Blood Drive at the Valley Oaks Grange Hall. Be sure to schedule your appointment at [Donors.Vitalant.org](https://Donors.Vitalant.org) and enter the code SMFI178.

# January FFA Meeting!

Join us on February 3rd!

This Wednesday, February 3rd at 1:15, join us for our January FFA Meeting! Freshman and Seniors will be invited to their own hangout, where they will listen as seniors talk about the previous high school experiences and how FFA has helped prepare them for their future.

Seniors/Freshman: <https://ghsd-us.zoom.us/j/99133738225?pwd=NERLaEg2K1BhSXBQQm1QbmlyeUZhQT09>

Sophomores/Juniors: <https://ghsd-us.zoom.us/j/93657355551>

Welding is back at Liberty Ranch on cohorts! Horticulture is also back, so be on the lookout for sales in the next couple of months. They are all working very hard, and are producing some amazing results!
